

## ARKANSAS STATE HIGHWAY EMPLOYEES' RETIREMENT SYSTEM

**FORFEITURE OF FUTURE BENEFITS STATEMENT**

To the Board of Trustees  
Arkansas State Highway Employees' Retirement System

I, \_\_\_\_\_ am aware that I am vested with the Arkansas State Employees' Retirement System by having over five years of service with the Arkansas Department of Transportation. I also understand that by being vested in the ASHERS that I am entitled to leave my contributions in the system and would be eligible to receive retirement benefits upon reaching the mandatory age and service requirements.

However, I have elected to withdraw my contributions from the system, and by doing so I am fully aware that I relinquish all future benefits with the Arkansas State Employees' Retirement System by making this election.
