Corps Discontinues State Highway 178 Bridge (Bull Shoals Dam) Lane Closures

MARION COUNTY (6-7) – Closures that allowed the U.S. Army Corps of Engineers to conduct maintenance on the dam's tainter gates have been discontinued until the water level falls, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The Corps of Engineers have put their maintenance work on hold until the lake water returns to an elevation of 660 or below. Announcements for future closures will be made at that time.

More information about this project is available by contacting the Corps of Engineers Mountain Home Project Office at 870-425-2700.

Traffic will be controlled using warning signs, traffic signals, flaggers and cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
