### **Maintenance Work Requires Lane Closure on State Highway 336 in Van Buren County**

**VAN BUREN COUNTY (8-28)** – Maintenance treatments of State Highway 336 between Formosa and Culpepper require a moving lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting; State Highway 336 between Formosa and Culpepper will be reduced to one lane for a mile at a time as part of a moving lane closure on **Tuesday, August 29**. This will allow crews to perform a fog seal treatment as part of preventative maintenance on the road.

Traffic will be controlled with flaggers and a pilot vehicle. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov).
